SUPER

Gripping Trust, Fastening Relationships

PRODUCT CATALOGUE

ABOUT US

Superfix Fasteners have developed into one of the leading and professional fastener & hand tools suppliers & exporter worldwide. We set ground-breaking standards worldwide & supplying quality products to our customers with our best services from inception.

Superfix Fasteners is a great international reality in the market of high-quality fasteners & hand tools products, with a major role in Europe, Russia, USA, South America and parts of Africa. We have certification like ISO 9001:2015 and other approvals.

OUR VISION

Our tagline, "Gripping Trust, Fastening Relationships" sums up the Superfix Fasteners business philosophy. We are a supplier of high quality fasteners, hand tools and wide range of special parts to the most demanding customers in the world.

OUR VALUE

Superfix Fasteners is founded on the principles of giving the customer exactly what they want, when they want it, and at a fair and competitive price.

OUR MISSION

Superfix Fasteners stand alone in our ability to provide Security through a world class business, supplying world class product for world class customers. Sell each and every product with responsibility & security. Growing our company to world class supplier.
